6:30 PM

- I. Call to order and introductions
- II. Treasurer's Report – Jackie Erovick
 - a. Balance of \$30,615. Most of cold weather gear purchased. Need more info on milk money. Inflatables booked for last day of school, got same price as last year plus one extra inflatable.
- III. Principal's Report – Mr. Peck
 - a. Shout out to PTO for fun run success. Showdown was on Thursday. Principals for the day this Friday – two winners. Newsletter will also have pertinent information.
- IV. President's Report – Brandi Gruebele
- V. Committee Reports
 - a. Book Fair
 - i. Book Fair went well with smaller number of volunteers. Sign up genius worked best.
 - b. American Education Week
 - i. We don't have anyone to take this on yet. Brandi will reach out to Lindsay to make a post for facebook.
 - c. Carnival
 - i. No volunteers yet. Usually a date is picked by Christmas, no date yet.
 - d. Spring Conference Meals
 - i. Smoked pulled pork. Suggestion for a non-pork option, in case any sensitivity.
 - e. End of Year Inflatables
 - i. Ordered for last day of school. Discussed in Treasurer's report.
 - f. Fall Festival
 - i. Hit with kids. Very busy. Only 35 RSVP on facebook, but many more attended. Next year may try to do something different, since confined space was tricky.
 - g. Skating at Lights
 - i. Still coordinating dates, likely February.
 - h. Turkey Bingo
 - i. Donation of reusable dobbers, trying this year. Will have instructions for Aurora kid drawing. No turkey donations this year. Smaller gift cards to places. Grand prize will be \$100 to Cashwise.
 - i. Yearbook
 - i. No volunteers yet. If there's no resources to do it, we can't do it. Can we ask teachers to submit photos to the folders?
 1. Folders set up on google drive. Towards end of year, would go through folders and pic photos to send. Idea for teachers to pick the photos. That's most of the lift – sifting through the pictures. If someone tells us the number, then we can have the teachers do it.
 2. Timeline – busiest in Spring. Currently getting deadline and price. Cost is related to amount of order. Lindsay created all the folders, google drive, have to work through between google folders and Microsoft.
 - j. Spirit Wear/Clothing
 - i. Jessica set it up, received for ordering. Open for 2 weeks. Post yesterday on facebook.
 - k. Other Fundraising Opportunities

- i. Games to Go inflatable at Red River Valley Fair – 2 dollars donated back to school for every kid. Papers are okay with the teachers at the meeting, but digital is also nice so parents can see both.
- I. After School Clubs
 - i. No updates. Can be any time of school year. Don't have to be right afternoon. Usually 2:45-4:00.
- m. Sky Zone
